The Ed Sweeney Memorial Research Grants are awarded annually to individuals or groups who plan to prepare a publication or production that promises to contribute significantly to awareness of Manitoba's hockey history. The publication or production may be a book, an article, a film, a television program, a radio program, a theatrical production, an internet production, or a public exhibition. Researchers will be required to fill out an application form that can be found on the website of the Manitoba Hockey Hall of Fame (www.mbhockeyhalloffame.ca).

The maximum amount that will be allocated for grants in any one year is \$10,000.00, and the maximum amount that will be awarded to any one project is \$5000.00. The deadline for the applications for the 2020 grants is December 31, 2019. Applications will be judged by a selection committee whose recommendations must be ratified before announcements are made.

The recipients of the Sweeney Research Grants for 2020 will be announced in May 2020.
